Republicanism on Catholicism

The real sentiments of prominent Republicans will work out sometimes when ledignation gets the better part of discretion .-That the Republicans, generally, cotestain s deep hatred for the foreign born, there remembered, the native element in the op- of crime, the populace demands the life of the position so far prevailed that the whole coun- individual as an expeation of his offence. try was ewept by it as with the "besom of Is this picture not truthful? But call to

the pretext. The editor of the Cleveland Heraid lately became indignant at some remarks of Bishop Purcell in regard to taxing church property, and charitable institutions, and after revering what the good Bishop and after revering what the good Bishop said, vents his spite against all foreign born of wrong. In this digression a wider range has been taken than contemplated; but the thous sould be soid on the most reasonable terms of wrong. In this digression a wider range has been taken than contemplated; but the thous an application to CHAS. E. CLARKE, apret LOW.

of the foreigners in our land, who bow in obedience to the will of the Pope of Rome, are not as intelligent as the full-blooded Af

ressed of all nations." We would not give

with his Hibernian disposition to mingle in decline commences, and at thirty five at the far the contest. Consciousness of the possess-thest, he dies just when he should be in the ion of power to straighten out all these political affairs, without using it, must have seemed as unnatural to this prelate, as Donnybrook Fair without a fight would be to his by way of contrast. He has a large square secular countrymen.

Fair" and "a fight," is happy, and suggestin it; there is any amount of contempt.

gresses in his notice of the "increasing pow- former of these boys should be restrained from er of Romanism," and he sinks the pleasant atudy; the latter requires to be constrained to ry. This is to be regretted. We hope he study. One possessing a mental and the other will "think better of it." We protest that a physical temperament. The former, is not there is "no casion" for the following-none disposed to take sufficient physical exercise; whatever:

held their titles at the pleasure of a Priest, study is injured—morally by undue coercion; the River Road, near the city, are not going to be re-enacted here although and physically by preventing that amount of ALSO, A 3 story Brick Business House, on Bishop Purcell imagines the American peo-ple so ripe for it that he has already made his principal entree in such a play. Nor is his principal entree in such a play. WILLOW and Wooden Ware; THE best quality of Brooms; CAN Tobacco, of New York brands; BEST quality German and other Cigars; OPAL, Star and Tailow Candles; THE best of Meshannock Potatoes, THE best of Meshannock Potatoes,
CORN MEAL, Butter, Eggs, Lard, &c.
THE hest quality of Family Crackers;
GROUND and unground Coffee, Spices,
Nutmegs, Cinamon, Cloves, &c.
STONE and Crockery Ware, &c.
in short, every article, usually found in a Family
Grocery of the first character,
He respectfully makes his bow to the citizens of
Dayton and vicinity, and solicits a liberal share of
their patronage.

ELECTROPATHY. THEY are constantly in receipt of every description of imported cigars, of the most family and common cigars, and can fill any order made upon them.

They have Goodwin's Patent Foil Tobacco—the nicest article ever brought to this marke. They have, also, every variety of chewing tobacco.

They find the recteint of the most family have, also, every variety of chewing tobacco.

They find the recteint foil Tobacco—the nicest article ever brought to this marke. They have, also, every variety of chewing tobacco.

They find their extensive stock at wholesaic and retail, at as low rates as can be had in the West, and call the attention of Dealers to their stock.—They offer superior inducements to the Trace.

Remember the place, 70, Jederson St., sign of the inward and outward.

And laskly: The seconding to its requirements and the Stock at wholesaic and the stream of the stock of the public stock and the stream of the stock of the public stock of the public stock of the public stock of the stock of

Where these principles are thoroughly understood and strictly carried out, the system of Electropathy a no matter of guess work, and the shillty to cure and arried out, the system of accordingly is no matter of guess work, and the shilly to cure no mystery.

The following diseases are permanently and specially cured by electrical treatment:
Pulmonary Consumption, first and middle stages,
Tor. id tiver, hypopenias, Assiraliza, italetis, Filve,
Faralysis, Rheumatism, Brain Inscance, Choroes,
Semmal Weasness, Jupotensy, Destivas, Amaurosis, Gatarch, Bropps, Nin Disnase, Tumons, Ulcerr,
All diseases incident to remains, Firs, stiff Jonets,
Contracted aussies, Ague, spinal influenties and
nervous and chronic diseases generaly. The aloresaid diseases are directly under the sensition of the
electrical agent and Dr. G. never tails to grounce a
permanent cure in all reaconaids cases.

His apparatus is so constructed that it produces a
mild and southing sensation even to the most sensitive nerves.

mild and southing sensation even to the most sensi-tive nerves.

All shocks and irregular currents that tend to ex-cite and tritate the nervous system are avoiced.

The diseases of body and mind should not fall to call and wineas the curse performes by this won-derful agent. It being a universal agent, it is alike applicable to all diseases, and frequently removes difficulties of years' standing in a single application.

Those given up everywhere else are invited to call, myds dawdin
